Notes :

1 The above financial results, which have been subjected to Limited Review by Statutory Auditors, have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on November 2, 2015.

2 The consolidated financial results of eClerx Services Limited ('the Company') alongwith its subsidiaries( together referred to as 'the Group') are compiled from the consolidated financial statements prepared in accordance with the principles and procedures for the preparation and presentation of consolidated accounts as set out in the Accounting Standard 21 on 'Consolidated Financial Statements' as specified under section 133 of the Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rules, 2014.

3 The Company operates under a single primary segment which is data management, analytics solutions and process outsourcing services. Further the risks and rewards under various geographies where the Company operates are similar in nature.
4 Till the year ended March 31, 2015, the Company amortised goodwill on consolidation over a period of ten years and also, tested it for impairment. From April 1, 2015, the Company has changed its policy whereby goodwill is tested for impairment and is not amortised. The management believes that the change in policy would result in a more appropriate presentation of the financial results of the Group. Had the Company continued to follow the earlier policy, its depreciation and amortisation expense for the quarter and half year ended September 30, 2015 would have been higher by Rs. 737.12 lacs and Rs. 1,355.96 lacs respectively and profit after tax would have been lower by Rs 737.12 lacs and Rs. 1,355.96 lacs respectively

5 The Company has deferred the recognition of cumulative Minimum Alternative Tax (MAT) credit of Rs. 2,564.88 lacs as at September 30, 2015, which could be available for set off against future tax liability under the provisions of the Income Tax Act, 1961 on account of uncertainty around the time frame within which income tax will be payable under the normal provisions against which the MAT credit can be utilised.

6 The Company has acquired the entire shareholding of CLX Europe S.P.A a joint stock company based in Italy effective April 22, 2015 through its overseas subsidiary eClerx Investement (UK) Limited for a consideration of Euro 175.73 lacs.Accordingly, the consolidated financial results for the quarter and half year ended September 30, 2015 also include the results of CLX Europe S.P.A for the period post acquisition and hence results are not comparative to that extent.

7 The Board of Directors in their meeting held on November 2, 2015 recommended issue of bonus equity shares in the ratio of one bonus equity share for every three equity shares held in the Company. The shareholder approval is being sought via postal ballot.

8 The Board of Directors in their meeting held on September 11, 2015 approved the Scheme of Amalgamation of Agilyst Consulting Private Limited, a step down subsidiary, with eClerx Services Limited ('the Company'), subject to all relevant approvals

9 Tax expense for the quarter ended June 30, 2015 and half year ended September 30, 2015 includes reversal of prior period deferred tax assets of Rs 476.24 lacs.
