4. Preservation of “Unpublished Price Sensitive Information”

4.1. Communication or procurement of Unpublished Price Sensitive Information:

1. Designated persons shall maintain the confidentiality of all UPSI. Designated persons shall not pass on such Information to any person directly or indirectly by way of making a recommendation for the purchase or sale of securities.
2. No insider shall communicate, provide, or allow access or procure from or cause communication by any insider regarding any UPSI, relating to the Company or securities, to any person including other insiders except where such communication is in furtherance of legitimate purposes, performance of duties or discharge of legal obligations.
3. UPSI is to be handled on a "need to know" basis, i.e., Price Sensitive Information should be disclosed only to those within the Company who need the information to discharge their duty.
4. An UPSI may be communicated, provided, allowed access to or procured, in connection with a transaction that would:–
 - a. entail an obligation to make an open offer under the takeover regulations where the Board of Directors of the Company is of informed opinion that the sharing of such information is in the best interests of the Company;
 - b. not attract the obligation to make an open offer under the takeover regulations but where the Board of Directors of the Company is of informed opinion that the proposed transaction is of informed opinion that sharing of such information in the best interests of the Company and the information that constitutes UPSI is disseminated to be made generally available at least 2 trading days prior to the proposed transaction being effected in such form as the Board of Directors may determine to be adequate and fair to cover all relevant and material facts.

NOTE: It is intended to permit communicating, providing, allowing access to or procuring UPSI also in transactions that do not entail an open offer obligation under the takeover regulations when authorized by the Board of Directors if sharing of such information is in the best interests of the Company. The Board of Directors, however, would cause public disclosures of such UPSI well before the proposed transaction to rule out any information asymmetry in the market.

5. The Board of Directors shall also require the parties to execute agreements with confidentiality and non-disclosure obligations on the part of such parties and the parties shall be duty bound to keep such information as confidential, except for the purpose of clause 4.4.ii., and shall not trade when in possession of UPSI.
6. Files containing confidential information shall be kept secured. Computer files must have adequate security of login and password etc.
7. Digital Database of recipient of UPSI:

The Compliance Officer shall be responsible to maintain a structured digital database containing the nature of unpublished price sensitive information and the names of such persons who have shared the information and also the names of such persons with whom information is shared under these Regulations along with the Permanent Account Number or any other identifier authorized by law where Permanent Account Number is not available. Such database shall not be outsourced and shall be maintained internally with adequate internal controls and checks such as time stamping and audit trails to ensure non-tampering of the database.

The structured digital database shall be preserved for such period as prescribed under the Regulations.

4.2. Trading when in possession of Unpublished Price Sensitive Information

1. No insider shall trade in securities when in possession of UPSI. However, the insider may prove his innocence by demonstrating the circumstances including the following : –
 - a. the transaction is an off-market inter-se transfer between the Insiders who were in possession of the same UPSI without being in breach of regulation 3 of the Regulations and both parties had made a conscious and informed trade decision;
 - b. the transaction was carried out through the block deal window mechanism between persons who were in possession of the UPSI without being in breach of Regulation 3 of the Regulations and both parties had made a conscious and informed trade decision. Such UPSI shall not be obtained by either person under sub-regulation 3 of regulation 3 of the Regulations.
 - c. the transaction was carried out pursuant to statutory or regulatory obligation to carry out a bona fide transaction.
 - d. The transaction was undertaken pursuant to the exercise of stock options in respect of which the exercise price as pre-determined in compliance with applicable regulations.
 - e. in the case of non-individual Insiders: –
 - i. the individuals who were in possession of such UPSI were different from the individuals taking trading decisions and such decision-making individuals were not in possession of such UPSI when they took the decision to trade; and
 - ii. appropriate and adequate arrangements were in place to ensure that the regulations were not violated and no UPSI was communicated by the individuals possessing the information to the individuals taking trading decisions and there is no evidence of such arrangements having been breached;
 - f. the trades were pursuant to a trading plan set up in accordance with Clause 5 of the code.
 - g. The trading window restrictions shall not apply in respect of the above transactions and in respect of a pledge of shares for a bonafide purpose such as raising of funds, subject to pre-clearance by the compliance officer and compliance with the respective regulations made by the SEBI and transactions which are undertaken in accordance with respective Regulations made by the SEBI such as acquisition by conversion of warrants or debentures, subscribing to rights issue, further public issue, preferential allotment or tendering of shares in a buy-back offer, open offer, delisting offer or transactions which are undertaken through such other mechanism as may be specified by the SEBI from time to time

NOTE: When a person who has traded in securities has been in possession of UPSI, his trades would be presumed to have been motivated by the knowledge and awareness of such information in his possession. The reasons for which he trades or the purposes to which he applies the proceeds of the

transactions are not intended to be relevant for determining whether a person has violated the Regulation. He traded when in possession of UPSI is what would need to be demonstrated at the outset to bring a charge. Once this is established, it would be open to the Insider to prove his innocence by demonstrating the circumstances mentioned in the proviso, failing which he would have violated the prohibition. The determining authority for this purpose will be Board of Directors of eClerx Services Limited.

2. In the case of Connected Persons the onus of establishing, that they were not in possession of UPSI, shall be on such Connected Persons.
3. Subject to applicable regulations and ESOP Plan/Schemes of the Company, the employees stock options can be exercised when the Trading window is closed.

4.3. Prevention of misuse of “Unpublished Price Sensitive Information”

1. Designated Persons shall not at ANY time deal in the Company's securities on the basis of any UPSI or communicate any UPSI to any person except as required in the ordinary course of business or under any law. Likewise Designated Persons shall not procure any other person to deal in the securities of the Company on the basis of any UPSI. Such conditions shall lapse after 48 hours of such information coming into the public domain.
2. Without prejudice to the above, trading is not permitted during the following periods (days outside these periods shall be deemed to be “Trading Window”):
 - a. From 1st day of the month immediately after the fiscal quarter end until 48 hours after the respective quarterly results as approved by the Board, are made public.
 - b. From 1st day of the month immediately after the close of the financial year until 48 hours after the audited financial results as approved by the Board, are made public.
 - c. Provided that once the financial results are published on Stock Exchanges' website, the same will then be construed as “made public”.
3. All Designated persons shall be subject to the following trading restrictions:-
4. They shall trade in the Company's securities only when the trading window is open.
5. The trading window shall be closed during the time any UPSI is available to the Designated Person/s.
6. The trading window shall be, *inter alia*, closed prior to :-
 - a. declaration of financial result(s);
 - b. declaration of dividend(s);
 - c. (change in capital structure;
 - d. mergers, de-mergers, acquisitions, delistings, disposals and expansion of business and such other transactions;
 - e. changes in key managerial personnel; and
 - f. Such other consequential information, as the Executive Director/Compliance Officer/Chief Financial Officer may prescribe from time to time pursuant to the requirements under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), other applicable corporate laws or otherwise.

It is however provided that change in capital structure resulting out of allotment of shares against exercise of employee stock options will not be construed to be requiring closure of trading window.

The trading window shall be opened 48 hours after the information referred to in sub-clause 3 of this clause is made public. **Provided that once such information is published on the Stock Exchanges' website, the same will then be treated as “made public.”**

NOTE: Creation of pledge or invocation of pledge for enforcement of security while in possession of UPSI is prohibited.

Subject to Clause 5 of this Code dealing with Trading Plan, all Designated Persons of the Company shall conduct all their dealings in the securities of the Company only in a valid Trading Window and shall not deal in the Company's securities during the periods when Trading Window is closed or during any other period as may be specified by the Company from time to time.

5. Trading Plans

1. An **Insider** shall be entitled to formulate a trading plan and present it to the Compliance Officer for approval and public disclosure pursuant to which trades may be carried out on his behalf in accordance with such plan.

NOTE: This provision intends to give an option to persons who may be perpetually in possession of UPSI and enabling them to trade in securities in a compliant manner. This provision would enable the formulation of a trading plan by an Insider to enable him to plan for trades to be executed in future. By doing so, the possession of UPSI when a trade under a trading plan is actually executed would not prohibit the execution of such trades that he had pre-decided even before the UPSI came into being.

2. Such trading plan shall:–

- a. not entail commencement of trading on behalf of the insider earlier than six months from the public disclosure of the plan;

NOTE: It is intended that to get the benefit of a trading plan, a cool-off period of six months is necessary. Such a period is considered reasonably long for UPSI that is in possession of the insider when formulating the trading plan, to become generally available. It is also considered to be a reasonable period for a time lag in which new UPSI may come into being without adversely affecting the trading plan formulated earlier. In any case, it should be remembered that this is only a statutory cool-off period and would not grant immunity from action if the Insider were to be in possession of the same UPSI both at the time of formulation of the plan and implementation of the same.

- b. not entail trading for the period between the 20th trading day prior to the last day of any financial period for which results are required to be announced by the Company and the 2nd trading day after the disclosure of such financial results;

NOTE: Since the trading plan is envisaged to be an exception to the general rule prohibiting trading by insiders when in possession of UPSI, it is important that the trading plan does not entail trading for a reasonable period around the declaration of financial results as that would generate UPSI.

- c. entail trading for a period of not less than twelve months;

NOTE: It is intended that it would be undesirable to have frequent announcements of trading plans for short periods of time rendering meaningless the defence of a reasonable time gap between the decision to trade and the actual trade. Hence it is felt that a reasonable time would be 12 months.

- d. not entail overlap of any period for which another trading plan is already in existence;

NOTE: It is intended that it would be undesirable to have multiple trading plans operating during the same time period. Since it would be possible for an insider to time the publication of the UPSI to make it generally available instead of timing the trades, it is important not to have the ability to initiate more than one plan covering the same time period.

- e. set out either the value of trades to be effected or the number of securities to be traded along with the nature of the trade and the intervals at, or dates on which such trades shall be effected;

NOTE: It is intended that while regulations should not be too prescriptive and rigid about what a trading plan should entail, they should stipulate certain basic parameters that a trading plan should conform to and within which, the plan may be formulated with full flexibility. The nature of the trades entailed in the trading plan i.e. acquisition or disposal should be set out. The trading plan may set out the value of securities or the number of securities to be invested or divested. Specific dates or specific time intervals may be set out in the plan.

- f. not entail trading in securities for market abuse

NOTE: Trading on the basis of such a trading plan would not grant absolute immunity from bringing proceedings for market abuse. For instance, in the event of manipulative timing of the release of UPSI to ensure that trading under a trading plan becomes lucrative in circumvention of regulation 4 being detected, it would be open to initiate proceedings for alleged breach of SEBI (Prohibition of Fraudulent and Unfair Trade Practices Relating to the Securities Market) Regulations, 2003.

3. The compliance officer shall review the trading plan to assess whether the plan would have any potential for violation of the Code and shall be entitled to seek such express undertakings, inter-alia, confirming no such violation, as may be necessary to enable such assessment and to approve and monitor the implementation of the plan. Provided that requirement of pre-clearance of trades, trading window norms and restrictions of contra trade shall not be applicable for a trade executed as per an approved trading plan.
4. The Trading Plan once approved shall be irrevocable and the Insider shall mandatorily have to implement the plan, without being entitled to either deviate from it or to execute any trade in the securities outside the scope of the trading plan.

The implementation of the Trading Plan shall not be commenced if any UPSI in possession of the Insider at the time of formulation of the plan has not become generally available at the time of the commencement of implementation and in such event the Compliance Officer shall confirm that the commencement ought to be deferred until such UPSI becomes generally available information so as to avoid a possible violations. Compliance Officer may call upon furnishing of such undertakings as may be deemed fit.

Note: The proviso is intended to address the prospect that despite the six-month gap between the formulation of the trading plan and its commencement, the UPSI in possession of the Insider is still not generally available. In such a situation, commencement of the plan would conflict with the overriding principle that trades should not be executed when in possession of such information. If the very same UPSI is still in the insider's possession, the commencement of execution of the trading plan ought to be deferred.

5. Upon approval of the Trading Plan, the Compliance Officer shall notify the plan to the stock exchanges on which the securities are listed.

6. Initial Disclosure and Continuous Disclosure

1. Initial Disclosure

- a. Every Promoter, member of the promoter group, Key Managerial Personnel and Director of the Company shall disclose in Form A holding of securities of the Company as on the date of relevant Regulation taking effect.
- b. Every person on appointment as a Key Managerial Personnel or a Director or a Designated Person of the Company or upon becoming a Promoter or member of promoter group shall disclose in Form A holding of securities of the Company as on the date of appointment or becoming a Promoter, to the Company within 7 days of such appointment or becoming a Promoter or member of Promoter group.

2. Continual Disclosure

- a. Every Promoter, member of the promoter group, Designated Person and Director of the Company shall disclose to the Company in Form D, the number of such securities acquired or disposed of, directly or indirectly through his Immediate Relatives, within 2 trading days of such transaction if the value of the securities traded, whether in one transaction or a series of transactions over any calendar quarter, aggregates to a traded value in excess of Rs 10 Lacs or more;
- b. The Company shall notify the particulars of such trading to the Stock Exchange within 2 Trading days of receipt of the disclosure or from becoming aware of such information. The disclosure of the incremental transactions after any disclosure under this sub-clause, shall be made when the transactions effected after the prior disclosure cross the said threshold specified in sub-clause (2)(1).

The above disclosures shall be made in such form and such manner as may be specified by SEBI from time to time.

The Company may at its own discretion require any other connected persons or class of connected persons to make disclosures of holdings and trading in securities of the Company in such Form and at such frequency as may be determined by the Company to monitor compliance with this Code and the Regulations.

Note: This is an enabling provision for the Company to seek information from those to whom it has to provide UPSI. This provision confers discretion on the Company to seek such information. For example, the Company may ask that a management consultant who would advise it on corporate strategy and would need to review UPSI, should make disclosures of his trades to the Company. Anyone dealing with the Company would thus need to take into account and ensure compliance with the said requirement.

Every disclosure shall be made in the specified format. Further, the disclosures shall be made by any person and Immediate Relatives, including by any other person for whom such person takes trading decisions. Any or all the Forms hereunder or otherwise provided, can be put up on electronic platform and electronic / email submission, processing etc. thereof is permitted.

NOTE: It is intended that disclosure of trades would need to be of not only those executed by the person concerned but also by the Immediate Relatives including any other persons for whom the person concerned takes trading decisions. This Code is primarily aimed at preventing abuse by trading when in possession of UPSI and therefore, what matters is whether the person who takes trading decisions is in possession of such information rather than whether the person who has title to the trades is in such possession.

The disclosures of trading in securities shall also include trading in derivatives of securities and the traded value of the derivatives shall be taken into account. However, trading in the said derivatives of securities should be permitted by any law for the time being in force.

The disclosures made hereunder shall be maintained by the Company, for a minimum period of five years, in such form as may be specified.

7. Pre-clearance of Trades

All Designated Persons who intend to deal in the securities of the Company (purchase, sale or otherwise) either directly or where their Immediate Relatives intend to deal in the securities of the Company or in case of any proposed dealing by any other person for whom such person takes trading decisions, should pre intimate / pre-clear the transactions as per the procedure described hereunder.

- If the cumulative value of the proposed transaction in a week **is expected to exceed Rs. 10 lacs** (market value), a pre-clearance application should be made in **Form B** to the Compliance officer at least 2 business days prior to the proposed date for transaction and indicate the estimated number of securities that he/she intends to deal in, DP ID & Client ID, Permanent Account No. and the likely date range in which the transaction(s) is proposed to be carried out. The notice requirement of 2 business days, will not prevent the Company to expeditiously process such application / shorten the advance business days requirement on a case to case basis.

An undertaking shall be executed in favour of the Company and/or Compliance Officer by such designated person incorporating, *inter-alia*, the following clauses:

1. That the designated person does not have any access or has not received up to the time of signing the undertaking any "Price Sensitive Information" which has remained unpublished and not in the public domain.
2. That in case the designated person has access to or receives UPSI after the signing of the undertaking but before the execution of the transaction he/she shall inform the Compliance officer of the change in his/her position and that he/she would completely refrain from dealing in the securities of the Company till the time 48 hours have elapsed when such information becomes public.
3. That he/she has not contravened this Code.
4. That he/she has made a full and true disclosure while applying for clearance to trade.

Any such permission shall be granted subject to approval by any Executive Director and shall have regard to all relevant regulations.
3. Designated Persons and their immediate relatives shall be governed by an internal code of conduct governing dealing in securities.
4. Designated persons may execute trades subject to compliance with these regulations. Towards this end, a notional trading window shall be used as an instrument of monitoring trading by the designated persons. The trading window shall be closed when the compliance officer in consultation with and as per advise of Executive Director and/or Chief Financial Officer, determines that a designated person or class of designated persons can reasonably be expected to have possession of UPSI. Such closure shall be imposed in relation to such securities to which such UPSI relates. Designated persons and their immediate relatives shall not trade in securities when the trading window is closed. Trading restriction period can be made applicable from the end of every quarter till 48 hours after the declaration of financial results. The gap between clearance of accounts by Audit Committee and Board Meeting should be as narrow as possible and preferably on the same day to avoid leakage of material information.
5. The timing for re-opening of the trading window shall be determined by the compliance officer in consultation and as per advise of Executive Director and/or Chief Financial Officer, taking into account various factors including the UPSI in question becoming generally available and being capable of assimilation by the market, which in any event shall not be earlier than forty-eight hours after the information becomes generally available..
6. When the trading window is open, trading by designated persons shall be subject to preclearance by the compliance officer, in consultation with and as per advise of Executive Director and/or Chief Financial Officer, if the value of the proposed trades is above such the thresholds as the board of directors may stipulate.
7. Prior to approving any trades, the compliance officer shall be entitled to seek declarations, affirmations and/or undertakings to the effect that the applicant for pre-clearance is not in possession of any UPSI. He shall also have regard to, in consultation with and as per advise of Executive Director and/or Chief Financial Officer, whether any such declaration is reasonably capable of being rendered inaccurate.
8. The code of conduct shall specify any reasonable timeframe, which in any event shall not be more than seven trading days, within which trades that have been pre-cleared have to be executed by the designated person, failing which fresh pre-clearance would be needed for the trades to be executed.
9. The code of conduct hereunder specifies the period of six months, within which a designated person who is permitted to trade shall not execute a contra trade. The compliance officer in consultation with and as per advise of Executive Director and/or Chief Financial Officer, may be

empowered to grant relaxation from strict application of such restriction for reasons to be recorded in writing provided that such relaxation does not violate these Regulations. This shall not be applicable for trades pursuant to exercise of stock options

10. The code of conduct stipulates such formats as the Board of Directors deems necessary for making applications for pre-clearance, reporting of trades executed, reporting of decisions not to trade after securing pre-clearance and for reporting level of holdings in securities at such intervals as may be determined as being necessary to monitor compliance with these regulations. Further any Executive Director is empowered to specify any such additional format / disclosure which it deems fit to ensure compliance with this Code. However the same will be placed before the Board of Directors subsequently for ratification / information.
11. Stock Exchange(s) shall be promptly informed if there is any violation to the Code of Conduct, which comes to the notice of Executive Director, Chief Financial Officer and Compliance Officer.

UPSI should be handled on ‘need to know’ basis and disclosed only to those employees who need such information for discharging their official duties. Such information should be shared only after serving of ‘notice of confidentiality’ to respective employees by the Head of the Department under intimation to the Compliance Officer, which should be acknowledged by the employee that he has read and understood the contents of the notice. If UPSI is shared with any employee without serving of notice of confidentiality, the Head of the Department along with such employee would be liable in case of misuse/leak of such UPSI and action, as deemed appropriate, would be taken by the Compliance Officer.

In the event, such UPSI is to be shared with third parties/ people outside eClerx, the respective Head of the Department shall give prior intimation of such disclosure to the Compliance Officer and also sign Non-Disclosure Agreement with third parties/people outside eClerx before sharing of UPSI.
